No. CGIT/NGP/70/2007

Dated 6-12-2012

Both the parties are absent on calls. None appears on behalf of either of the parties. The union representative is absent. No statement of claim is filed.

Perused the record. On the previous date, a last chance was given to the petitioner to file the statement of claim. In spite of the same, no statement of claim has been filed. It appears from record that the petitioner is not interested to proceed with the case. Hence, the case is closed. Put up later on for award.

Party No. 1 : The Sr. Divisional Commercial Manager, South East Central Railway, Nagpur Division, Nagpur (MS).

V/s.

Party No. 2 : The General Secretary, Parcel Porter Sanghatna, South East Central Railway,

New Mankapur, Plot No. 37,
Mhada Colony,
Nagpur-30(MS)

AWARD

(Dated: 6th December, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government had referred the industrial dispute between the employers, in relation to the management of South East Central Railway and their workman, Shri Prakash Premal Mele, for adjudication, as per letter No.L-41012/96/2005-IR(B-I) dated 14-11-2007, for adjudication with the following schedule :—

"Whether the Parcel Porters/Hammal are workmen of the Railway Administration ? If so, whether the action of the management of South East Central Railway, Nagpur Division, Nagpur (MS) in terminating/stopping from the services of Shri Prakash Premal Mele, Parcel Porter, w.e.f. 3-1-2005 is proper and justified? If not, what relief the Parcel Porter is entitled to?"

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement. In spite of appearance of the parties in the case and several adjournments of the reference, neither any statement of claim nor written statement was filed.

3. It is well settled that if a party challenges the legality of an order, the burden lies upon him to prove the illegality of the order and if no evidence is produced, the Party invoking the jurisdiction of the Court must fail. Whenever a workman raises a dispute challenging the validity of the termination of the service, it is imperative for him to file written statement before the Industrial Court setting out grounds on which the order is challenged and he must also produce evidence to prove his case. If the workman fails to appear or file written statement or produce evidence, the dispute referred by the Govt. cannot be answered in his favour and he would not be entitled to any relief.

4. Applying the above principles to the present case in hand, it is found that no statement of claim has been filed by the petitioner in spite of giving sufficient scope for the same and no evidence has been produced in support of his claim, the workman is not entitled to any relief. Hence, it is ordered :—

ORDER

The reference is answered against the workman. The workman is not entitled to any relief.

No. CGIT/NGP/71/2007

Dated 6-12-2012

Both the parties are absent on calls. None appears on behalf of either of the parties. The union representative is absent.

Perused the record. In this case, Smt. Maya, the widow of the late workman, Chakradhar Mohan Gajbhiye has filed an application stating that she has given compassionate appointment by the Railway and as such, she does not want to prosecute the reference any more. The applicant has filed the copy of the order passed by the Hon'ble the High of Judicature at Bombay, Nagpur Bench, Nagpur in Writ Petition No. 1333/2011 dated 20-06-2011. The Hon'ble High Court has directed the Railway to consider the entitlement of the applicant to the post of Gangman in accordance with law. As the applicant's case has been considered and she has been extended the Employment Assistant on compassionate ground, it appears that there exists no industrial dispute any more. Hence, the petition is allowed. Put up later on for passing "no dispute" award.

AWARD

(Dated: 6th December, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government had referred the industrial dispute between the employers, in relation to the management of South East Central Railway and their workman, Shri Ravishankar Batwa, for adjudication, as per letter No.L- 41012/88/2005-IR(B-I) dated 08-11-2007, for adjudication with the following schedule :—

"Whether the Parcel Porters/Hammal are workmen of the Railway Administration ? If so, whether the action of the management of South East Central Railway, Nagpur Division, Nagpur (MS) in terminating/stopping from the services of Shri Ravishankar Batwa, Parcel Porter, w.e.f. 03-01-2005 is proper and justified? If not, what relief the Parcel Porter is entitled to ?"

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement. In spite of appearance of the parties in the case and several adjournments of the reference, neither any statement of claim nor written statement was filed.

3. It is well settled that if a party challenges the legality of an order, the burden lies upon him to prove the illegality of the order and if no evidence is produced, the Party invoking the jurisdiction of the Court must fail. Whenever a workman raises a dispute challenging the validity of the termination of the service, it is imperative for him to file written statement before the Industrial Court setting out grounds on which the order is challenged and he must also produce evidence to prove his case. If the workman fails to appear or file written statement or produce evidence, the dispute referred by the Govt. cannot be answered in his favour and he would not be entitled to any relief.

4. Applying the above principles to the present case in hand, it is found that no statement of claim has been filed by the petitioner inspite of giving sufficient scope for the same and no evidence has been produced in support of his claim, the workman is not entitled to any relief. Hence, it is ordered :—

ORDER

The reference is answered against the workman. The workman is not entitled to any relief.

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement. In spite of appearance of the parties in the case and several adjournments of the reference, neither any statement of claim nor written statement was filed.

3. It is well settled that if a party challenges the legality of an order, the burden lies upon him to prove the illegality of the order and if no evidence is produced, the Party invoking the jurisdiction of the Court must fail. Whenever a workman raises a dispute challenging the validity of the termination of the service, it is imperative for him to file written statement before the Industrial Court setting out grounds on which the order is challenged and he must also produce evidence to prove his case. If the workman fails to appear or file written statement or produce evidence, the dispute referred by the Govt. cannot be answered in his favour and he would not be entitled to any relief.

4. Applying the above principles to the present case in hand, it is found that no statement of claim has been filed by the petitioner inspite of giving sufficient scope for the same and no evidence has been produced in support of his claim, the workman is not entitled to any relief. Hence, it is ordered :—

ORDER

AWARD

(Dated : 06th December, 2012)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government had referred the industrial dispute between the employers, in relation to the management of South East Central Railway and their workman, Shri Suraj Kardas Uthane, for adjudication, as per letter No. L-41012/84/2005-IR (B-I) dated 08-11-2007, for adjudication with the following schedule :—

"Whether the Parcel Porters /Hammal are workmen of the Railway Administration? If so, whether the action of the management of South East Central Railway, Nagpur Division, Nagpur (MS) in terminating/stopping from the services of Shri Suraj Kardas Uthane, Parcel Porter w.e.f. 03-01-2005 is proper and justified? If not, what relief the Parcel Porter is entitled to?

2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement. In spite of appearance of the parties in the case and several adjournments of the reference, neither any statement of claim nor written statement was filed.

3. It is well settled that if a party challenges the legality of an order, the burden lies upon him to prove the illegality of the order and if no evidence is produced, the Party invoking the jurisdiction of the Court must fail. Whenever a workman raises a dispute challenging the validity of the termination of the service, it is imperative for him to file written statement before the Industrial Court setting out grounds on which the order is challenged and he must also produce evidence to prove his case. If the workman fails to appear or file written statement or produce evidence, the dispute referred by the Govt. cannot be answered in his favour and he would not be entitled to any relief.

4. Applying the above principles to the present case in hand, it is found that no statement of claim has been filed by the petitioner in spite of giving sufficient scope for the same and no evidence has been produced in support of his claim, the workman is not entitled to any relief. Hence, it is ordered :—

ORDER

The reference is answered against the workman. The workman is not entitled to any relief.
